Sir,

Subject - Toll Establishment in the Bowringpet Town Municipality

- - - -

I have the honour to state that in accordance with instructions contained in Official Memorandum No L 676-7/M 1 131-39-3 dated 1st February 1940, the Toll Gate collections in the Bowringpet Town Municipality were managed Amani during the year 1940-41 and an establishment consisting of 8 peons on a pay of Rs 10/- per mensem each was sanctioned by me for the purpose

The Municipal Council of Bowringpet have resolved at their meeting held on 12th July 1941 that the Amani system be continued during 1941-42 also and that the temporary establishment sanctioned last year may be continued during the current year also supplemented by an additional staff of 2 peons, the total expenditure for the entire establishment of ten peons being however limited to Rs 80/- per mensem as in the previous year This they propose to do by having 10 peons on Rs 8/- per mensem each instead of 8 peons on Rs 10/- per mensem each The two additional peons are reported to be necessary for town petrol work The expenditure has also been duly provided for in the budget estimates of the Municipality for the current year The income under Tolls during 1939-40 when this item was leased out was only Rs 805/- and during 1940-41 when it was managed Amani was Rs 5,008/- The necessity for the continuance of the Amani system is therefore obvious

I request that, in these circumstances, Government may be kindly moved to accord sanction to the continuance of the establishment in question during 1941-42 A copy of the resolution of the Municipal Council is enclosed herein for reference
